

# Webhelp Poland

Webhelp

Multilingual solutions made easy!

Webhelp is a global CX and business solutions provider with more than 150 locations in over 50 countries. About 60,000 Webhelpers speak more than 40 languages and serve more than 500 clients across the world.

Webhelp is the European leader in their industry - aiming for a global leadership position.

We focus on sustainable growth, bring together passionate, fun-loving people and deliver outstanding services and solutions to a wide range of industries. As an established expert with more than 20 years of experience in business process and customer experience outsourcing, Webhelp has clearly recognised the potential of Poland.

Alongside its beneficial geographical location, Poland has a well-qualified talent pool, with a growing number of home-based and remote workplaces. Furthermore, the region has a unique characteristic: as a multilingual hub in Europe, where both Western European and Eastern European language skills are widely spoken, Poland is your attractive business location for customised nearshore solutions:

- Great choice of languages: German, Polish, English, Dutch, French, Italian, Czech, Hungarian, Russian, Swedish, Norwegian, Danish, Finnish & much more
- 150+ passionate Game-Changers
- High employee loyalty

- Strong Onsite & Work@Home operations
- Multilingual Management Team
- International scalability

- Long-term partnerships
- In-depth know-how
- Industries: Travel, Retail & FMCG, High-tech & many others
